APPROVAL OF STATE ENGINEER		
This is to certify that I have examined the foregoing applicati	on	
and do hereby grant the same, subject to the following limitations and	d	1
conditions: This permit is issued subject to all existing rights on the source	ž. 4	
t-is understood that the 0.045 cubic foot of water per second herein granted is	7	
nly a temporary allowance and that the final water right obtained under this ermit will be dependent upon the amount of water actually placed to a beneficial	11	
se. A suitable measuring device must be installed and accurate measurements of the water placed to a beneficial use must be included in the proof of such use		2
hen filed. The State retains the right to regulate the use of the water herein		
nanted at any and all times.		
The amount of water to be appropriated shall be limited to the amount		
which can be applied to beneficial use, and not to exceed $rac{0.045}{}$		
cubic feet per second.		
Actual construction work shall begin on or before September 23, 1956		
Proof of commencement of work shall be filed before October 23, 1956		
Work must be prosecuted with reasonable diligence and be completed or	or	
before September 23, 1957		
Proof of completion of work shall be filed before October 23, 1957		
Application of water to beneficial use shall be made on or before		
September 23, 1961 . Proof of the application of water to benefic	ial	
use must be filed with State Engineer on or before October 23, 1961	. 1
